IBA is the place where I actually got to know more about the new phase of life i.e. corporate world. It's a destiny for those who are determined for their dreams.

Not only the placements and faculty are the reason to join IBA but the environment that lend a hand to your career to achieve your goals.

Two year of IBA is not a sign that one just finished the formalities of being post graduated, it's an indication of a person is prepared for life.

IBA is not just a college for me but also my second home. It has given me wonderful exposure and freedom to pursue my interest. In a very short span of time, I was able to learn a lot, which helped me excel academically, as well as personally. Faculty members here are the best, and the learning environment crafted here helps us to concentrate and achieve more.

I am a proud IBAian, and will forever be the same.

Akshay Muraleedharan C K - BBA

Coimbatore, Tamil Nadu

Journey from an amateur to a person who has been able to advance in interpersonal skills, time management and team skills to a whole new augment level, never would have happened if IBA had not encouraged me to possess the characteristics of a professional. IBA's entire faculty and department leaves no stone unturned to shape one's future. I will always be grateful to them for providing me a platform for practical learning and preparing me for the corporate life.

Kritika Pandey - B.A

Much has been learned from IBA- from time management to becoming industry ready. The college assists its students in becoming situationally prepared. IBA offers a learning atmosphere and places the highest value on practical knowledge, which is accomplished by frequently organizing industrial trips and holding guest lectures. It also gives us a platform to demonstrate our managerial abilities. Students are encouraged by the institute to take part in extra-curricular activities for the benefit of your future growth.

You'll be in good hands if you want to learn anything beyond what you can learn from books.

Nidhi Tammewar - B.E (CS)
